	Comments During Rounds
1. Who has had the most positive impact on you since you arrived? How?	
2. Based on other places you have worked, what suggestions do you have that would make SAH a better place to work, i.e., better systems, processes, or communication tools?	
3. Are your personal and professional needs being met? If not, how can we help?	
4. Is there any additional training/education you feel you need?	
5. How has your overall experience with SAH been so far? Do you plan to be working here one (1) year from now?	
6. Is there anything I can help you with right now? I have time.
